12th February 2026

Dear Year 11 Parents and Carers,

We have been delighted with the hard work and dedication of Year 11 as they have navigated their way to the end of Term 3.

As part of our academic support package, we would like to invite you to a Year 11 GCSE Information Evening on Wednesday 11th March, from 6pm to 7pm.

This event is for parents and carers and is designed to provide you with all the key information you need to support your child in the lead-up to their summer GCSE examinations.

We will outline the revision resources, expectations and approaches, share important dates and processes and explain the support available both in school and at home.

It would be brilliant to see as many of you here as possible. This final stage before exams is crucial and working collaboratively will help ensure every student will be well-prepared and confident in their summer exams. All information will be made available after the evening if you are unable to attend.

Thank you for your continued support and we look forward to seeing you there.

Yours faithfully,

Mr P. Greenup
Senior Leadership Team

Mrs C. Murray
