2<sup>nd</sup> September 2025

Dear Year 7 Families,

As we put the finishing touches to be ready to welcome Year 7 tomorrow, it seems that one final communication might help any nerves and give any reassurances that maybe required. If it helps, we are nervous and excited as well!

Please find below a few 'Frequently Asked Questions' that keep appearing that will either act as reminders or prevent a sleepless night!

**My tie hasn't turned up – what do I do?**

Don't worry, we have been informed of a supply issue with the ties for a handful of students. We have some spares in school, and we will make sure students are in full uniform for the school photos!

**Will they let us through the roadworks as a special treat on day 1?**

No! The roadworks are on-going and the diversion is in place. There is no vehicular access along the Private Road section of Valley Road (The Rough Track), although it is open for people to walk along. We strongly encourage students to walk wherever possible, even if it is for the final part of the trip into school.

**Do I need a water bottle?**

Yes! It doesn't need to be a fancy one, but a bottle means you can refill from the water fountains, or in the Hall at lunchtime. Please speak to any member of staff for help.

**Do I need to bring PE Kit tomorrow?!**

No! Just bring yourself in your best uniform, your pencil case equipment, a big smile, and a willingness to make everyone feel welcome.

**Are the new classrooms in 'Woodside' ready for use?**

Yes, and the Year 7s will be the very first students in there! Have a look at the 'Welcome' video here: [Woodside link](#)

We are really looking forward to seeing you all tomorrow. It's a very special day for everyone in the family – no doubt marked by a special photo, that will appear at special birthdays and weddings in the future!

Best wishes,

**Sam Kent**  
Head of School

**Jim Smith**
